Festival

Goro-
chan—!

Looks like
Goro-chan
and his friends
clear did well.

Ah,
hang
in!

Get 'em
off their
feet!

!?

This scrawny
guy's hunger to
see the female
body is almost
legend-like in
proportion.

That of
my little
brother,
Goro-
chan.

If you're not
a guard, we'll
try to sneak
a peek the
first chance
we get.

Despite all that,
he's under regular
surveillance by the
police. Such a
disgraceful
little brother.

His hobbies
include taking
best photos
without
being
noticed and
collecting girl's
underwear.

STOP IT,
Goro! Don't
sneak around
the city. And
don't peek
into girls' lives.
Seriously, this
isn't
funny.

I'm trying to be nice, and yet I end up making the usual old gloomy face this.

I'm sure what I'm saying sounds selfish too...?

Date? IV

My family has always been kind, but they also make too much of a fuss over it.

I've always had a slightly weak body you see.

Thank you for listening anyway...

That's why you don't like staying at home...?

It's annoying just because my brother gets depressed a little. They should realize I'm an adult now.

Since you're growing up, it's only natural to think this way isn't it?

...Well.

I always wondered about what another family would be like.

It's been this way since I was young. I've used to it now though.

Isn't that true because I'm growing up...

Since you and your sister are always all over each other.

Your family seems nice and peaceful, Kobori-san.

Oh

damn.

is?

Are you

along?

Anki.  
Oh well,

fine.

THE WORLD IS BURNING (CONT.)

But since  
you seem to

that's fine  
I guess.

...I was  
going to have
